DAY. The Journal was in error in supporing the Eagle had not given in its adhesion to the county ticket in Beaufort. The error arose from the fact that the county ticket was not pl ced at the head of the editorial columns where the other tickets supported by the Eagle appeared, but was placed at the head of the local columns of that paper. The mistake ought not to have occurred, doubtless, but, nevertheless, it did ecour, and having occurred we feel bound in honor to correct it, and thereby to undo any injury we may have done the Eagle. Not even the discourteous disregard of editorial decaucy and propriety by the Eagle can prevent the Journal from repairing any wrong it may have inflicted without just cause.

But the Journal was not in error as to the Eagle's position in regard to Colonel WADDELL The Eagle refuses to support Colonel WADDELL, I ot er words, it bolts the nomination fairly and honestly made by the law fully constituted convention of its party-a convention in which the Eagle admits its editor sat as a delgate. There can be but one opinion of the course of the Lagle among men who have at heart the good of the party. If the Eagle pretends to be : party paper, the pretence will henceforth be considered of but little value. Canaday's candidacy is both absurd and contemptible, to LOCKWOODS FOLLY, Bruns wick Co., say nothing of its impudence. It has been proved that Canaday does not hesitate to eat at the same table at the same time with negross upon terms of equality-this same Canaday that is now a candidate for Congress-and this fact is well known to the whole District. This is of itself sufficient to render his candidacy in a District with 5,000 white majority a most silly performance, but this is not all the record Mr. Canaday has.

We repeat, therefore, that if there was ever a time when refusing to support the nominee would do no harm. now is the time. There is no danger that our District will inflict such a shame and disgrace upon the Old North State as would overwhelm her if such a man as Canaday should be sent to Congress by a white constituency.
